

## CUSTOMER LETTER 31.1.2012

### New Appointments at Lautex

Mr. **Jarno Soinila**, M.Sc.(Eng.) in shipbuilding, is appointed as new sales director at Lautex. Jarno is coming to Lautex from RCCL (Royal Caribbean Cruises Ltd.) where he was positioned as administrative manager of the technical office of Turku. Before that he used to work at different positions at Helsinki and Turku shipyards.

Mr. **Jussi Pärssinen** is appointed as sales manager at shipbuilding sector. Jussi is coming to Lautex from Sunborn Marine Malesian shipyard, where he used to work as manager of the interior works.

Both Jarno and Jussi have strong background at ship building sector and therefore they have excellent qualifications to take over the sales in short order at ship building sector. Jarno and Jussi will start at Lautex 13.2.2012.

Mr. **Jouni Hakola**, M.Sc.(Eng.) in production technology, is appointed as our new production director. During his career Jouni has been working at several different positions in production line and management, previously as CEO of Amipac Oy, before that production director of Fincoil-Teollisuus Oy and CEO of STERIS Finn-Aqua Oy.

Our current production manager Mr. **Kari Välimaa** is appointed from 1.2.2012 as project director responsible for project management and design as well for account management of certain key customers.

Mr. **Jouko Jokinen** is taking care of sales at domestic building sector of Lautex and Mr. **Alexandru Filimon** is responsible for export of building sector.

We strongly believe that with our new team we are able to serve our clients better than before and we can strengthen our competitiveness at our domestic as well at international markets.
